

Opening Mid March 2024

Exciting Announcement! Cancer Care Macarthur Opening Mid March 2024

We're thrilled to announce the upcoming opening of Cancer Care Macarthur, a comprehensive oncology service centrally located at 218 Queen Street, Campbelltown. This marks a pivotal milestone in our commitment to the local community and providing accessible, affordable and comprehensive cancer care in the heart of the Macarthur region.

Key Details

Location: 218 Queen Street Campbelltown NSW

Opening Date: Mid March 2024

Services: Cancer Care Macarthur will deliver access to comprehensive services including Radiation Oncology, Medical Oncology, Haematology, Oncology Pharmacy, and consultation services for our community.

Our dedicated team are making great strides towards fit out and patient services whilst our linear accelerator is forecasted for delivery on 7 December 2024 marking significant progress towards our much-anticipated opening. This achievement is a testament to the collective support of our incredible local community.

Join us on this journey to make a positive impact on shared care and survivorship.

Follow us on [Facebook](#) or [LinkedIn](#) for real time updates and stay tuned for more announcements about the opening. We can't wait to welcome you to share this special moment.

Best regards,
Damien Williams
